

Sorry we're **CLOSED**

To our valued guests,

Due to the ever-evolving COVID-19 situation and Stage 1 of Federal Government regulations prohibiting non-essential trade, we are heavy-hearted in having to close Coogee Bay Hotel for only the second time in our 147-year history.

While the Hotel will be closed until further notice, the following areas of our business will remain open:

Coogee Bay Barrel (access from Arden Street)

Coogee Bay Bottle Shop (on Coogee Bay Road, next to Westpac)

Coogee Boutique Hotel (Reception on Vicar Street)

We will bring you the latest updates as they arise, so please keep in touch.

Please be safe and look after each other during these unprecedented and challenging times. We recognise the role we play as the heart and hub of our community and therefore, we look forward to re-opening and serving you again as soon as we can.

Christopher Cheung & the Coogee Bay Hotel team.
